kapok
Design Awards China
2020-2021

2020 Kapok Supreme
Design Award Winner

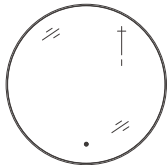

**It was carefully created by well-known design masters
and won the Kapok China Design Supreme Award.**

The design is inspired by the rippling ripples, which
outlines a spatial picture of mountains and rivers.
It gives the product a unique charm and makes people feel
a kind of tranquil beauty.

Allen

The collision of marl veneer panels and black metal,
Cutting-edge, modern and concise design language
Showcasing black postmodern industrial style
Make the whole body full of courage, but also chic and comfortable
